Terms & Conditions

A minimum of 8 weeks notice is required for cancellation or any change in dates, otherwise full payment for your course will be lost or you will be liable for the full course fee. Any change in course dates will result in an administration fee for each and every change made and unless otherwise agreed. I understand I must complete my course in full within 90 days of the course date or be liable for additional administration fees. If open ended dates have been selected for this course, the course dates must be booked within 12 months from date of invoice. Refunds are not due on open ended dates after 28 days from date of invoice.

If the weather or any other circumstance beyond our control causes the course to be delayed, changed or cancelled, no liability can be accepted by us for consequential loss, damage or expense incurred.

Candidates using equipment loaned to them by us and/or its instructors are financially liable for the cost of a new replacement item(s) if mentioned items are not returned in the same condition as they were borrowed or if they are lost. Candidates using their own diving equipment must inform the course instructor who will decide if it is suitable. Scuba Time or its employees cannot be held responsible for damage to equipment or injury caused by your negligence or otherwise.

I understand reasonable time will be allocated to my training, however, if additional training is required to reach my certification level I understand that I will be financially liable for this additional instruction. I understand that my course is performance based and that if I do not reach a standard considered acceptable to my instructors I will fail my course and will still be liable for the full course fee. If I wish to repeat the course I will have to pay the course fee unless otherwise agreed. I understand that if I cancel/postpone my course for any reason (including due to illness) I may lose my course fee and will be liable to cover costs of rescheduled training.

I understand that if not enough participants are found for my course, the dates may be changed. We will not be held responsible for any additional expense this may cause. I understand that my course may be rescheduled without refund of deposit if knowledge reviews are not completed prior to course start date and that any rescheduled courses must be paid in full again. I understand that Scuba Time will not be held responsible for any of my personal belongings during the period of my course and it is recommended that jewellery be taken off during diving. I understand that Scuba Time may take photographs and use them as promotional material or as they see fit.

I have read the terms and conditions above. I fully understand them and agree to all the terms and conditions:

DIVERS MEDICAL QUESTIONNAIRE

The purpose of this medical questionnaire is to find out if you should be examined by your Doctor before participating in recreational diver training. A positive response to a question does not necessarily disqualify you from diving. A positive response means that there is a pre-existing condition that may affect your safety while diving and you must seek the advice of your physician prior to engaging in dive activities. Please answer the following questions on your past or present medical history with a YES or NO. If you are not sure, answer YES. **If any of these items apply to you, we must request that you consult with a physician prior to participating in Scuba Diving. Your Instructor will supply you with an RSTC Medical Statement and Guidelines for Recreational Scuba Diver's Physical Examination to take to your physician.**
